Éducation française à Saint-Vital depuis 1860

Le quartier de Saint-Vital de la Ville de Winnipeg a connu une importante composante francophone depuis le début du village de Saint-Vital au Manitoba. En fait, on retrouve une école et chapelle à caractère francophone et confessionnelle sous le nom d'école Saint-Vital dans les années 1860 dans la région où se trouve aujourd'hui la Maison Riel à Saint-Vital, située près du chemin River entre les avenues Woodlawn et Avalon. Cette école et chapelle est bénie par Mgr Alexandre Taché le 29 septembre 1860. Les premiers records en date du 20 septembre 1860 indiquent que les trois premières enseignantes sont Sœurs Sophie Éthier, Marguerite Connelly (directrice) et Christine Lespérance, trois sœurs grises. Plusieurs élèves à l'ouest de la rivière Rouge (Fort Garry) fréquentent aussi cette école en faisant le trajet par bateau le matin et le soir pour se rendre à l'école. En septembre 1887 la chapelle et école ferment ses portes pour ouvrir une Mission à l'ouest de la rivière Rouge à Fort Garry sur le bord de la rivière Rouge pas tellement loin de la présente école Saint-Maurice. Sœur Christine Lespérance, une des trois premières institutrices à cette première école Saint-Vital, a présentement une école francophone élémentaire de la maternelle à la 8^e année, nommée en son nom, située au 425 chemin John Forsyth, coin rue Dakota, dans la partie sud du quartier Saint-Vital à Winnipeg, qui a ouvert ses portes en janvier 2002 sous le nom d'**École Christine-Lespérance**.

Après la fermeture de l'école Saint-Vital en 1887 et avant l'ouverture et après la fermeture des deux écoles paroissiales, soit l'école Saint-Eugène et l'école Sainte-Marie en 1943, une éducation en français s'est poursuivie à Saint-Vital en plusieurs endroits. Le suivant est un sommaire.

En 1887, soit après la fermeture de l'école Saint-Vital en cette même année, un enseignement s'est poursuivi dans la maison de Victor Mager située près du coin Kingston Row et du chemin St Mary's. Puis une école a été construite, non loin de la résidence de Victor Mager, au coin du chemin Elm Park et Killarny. Cette école sera connue sous le nom d'école Mager.

En 1891, le District scolaire Campeau # 971 est formé. L'école Campeau est située au lot de rivière 180 de la Paroisse de Saint-Norbert, présentement près du coin 31 boulevard Paul et chemin St. Mary's au sud de la route périphérique pas très loin du canal de dérivation.

Vers 1895, l'école Mager située au coin du chemin Elm Park et Killarny est déménagée sur le lot 119, coin chemin St. Anne's et l'avenue Regal.

En 1898, le District scolaire Saint-Germain # 969 est formée. L'école Saint-Germain est situé sur le chemin St. Mary's près du coin de la rue Burland. L'école ferme ses portes en 1966.

En 1898, le District scolaire Vermette # 970 est formé. La première école est située vers le 650 chemin St. Anne's. Cette école ferme en 1910. Une deuxième école Vermette ouvre ses portes vers le coin chemin St-Anne's et la route périphérique # 100. Cette deuxième école ferme en 1963.

En 1899, suivant une pétition des gens de la région, le District scolaire Saint-Vital No 1024 est formé. Le territoire comprend aussi une partie à l'ouest de la rivière Rouge dans la région de Fort Garry.

En 1899 le District scolaire Mager # 989 aussi connu sous le nom de Saint-Boniface Sud est formé. Lors de sa formation on précise le territoire comme suit: « *Part Sec. 11-12, all 13-14-23-24-26-27 and all lying between Seine River & St. Norbert road of lots 37 to 62 inclusive St. Vital lots 10-2 to 119 inclusive St. Boniface* ». Ce district scolaire sera dissout le 17 mai 1910 peu de temps avant la formation des districts scolaires Glenwood # 1557 et Lavallée # 1538.

En 1911, le District scolaire Lavallée # 1538 est formé. La première école Lavallée est située au coin du chemin St. Anne's et l'avenue Giclais aujourd'hui connue sous le nom avenue Sterling. Après la fermeture de la première école, une deuxième école Lavallée ouvre ses portes en 1946 vers le coin du chemin St. Anne's et le boulevard Abinojii Mikanah (anciennement le boulevard Bishop Grandin). Cette école Lavallée ferme ses portes 1974.

En 1943, deux écoles paroissiales, à caractère francophone, ouvrent leurs portes dans la Ville de Saint-Vital.

L'école Saint-Eugène connaîtra ses débuts en 1943 dans la chapelle Oustic située au coin de la rue Oustic et du chemin St. Mary's construite en 1942. Puis en 1948, dans des huttes militaires déménagées au 1011 chemin St. Mary's, ces huttes sont converties en classes. Cette école paroissiale Saint-Eugène offrira une éducation à ses élèves au niveau élémentaire jusqu'à sa fermeture en 1974.

L'école Sainte-Marie connaîtra aussi ses début en 1943 par l'achat du magasin Pigly Wigley situé au 491 chemin St. Mary's, coin avenue Vivian. Puis, par l'achat d'un morceau de terrain situé au 29 rue Des Meurons entre les avenues Vivian et Morier, l'école paroissiale Sainte-Marie ouvre ses portes dans de nouveaux locaux en septembre 1957 pour offrir une éducation à ses élèves au niveau élémentaire jusqu'à sa fermeture en 1974.

En 1962, l'école paroissiale Saint-Émile ouvre ses portes au 552 chemin St. Anne's, coin avenue Sterling. Elle dessert au début la clientèle francophone. En fait, en 1963, 1964 et 1965 un bon nombre d'élèves ont participé au concours de français. Graduellement, elle est devenue une école paroissiale surtout pour la population anglophone de Saint-Vital.

En 1974 deux écoles élémentaires jointes par un gymnase en commun, dont une anglaise connue sous le nom de Lavallée School située au 511 chemin St. Anne's et l'autre francophone connue sous le nom d'école Lavallée située au 509, chemin St. Anne's, ouvrent leurs portes. Ces deux écoles sont sous la juridiction de la Division scolaire Saint-Vital # 6.

En 1981, les deux clientèles d'élèves à Lavallée School et à l'école Lavallée changent de côté. L'école au 511 chemin St. Anne's peut accommoder environ 500 élèves et l'autre au 509 chemin St. Anne's, environ 250 élèves. La population écolière francophone approche les 500 élèves au début des années 1980, tandis que la population écolière anglophone se maintient aux environs 250 élèves. Le changement s'est fait à la fin d'août pour débiter l'année scolaire 1981-1982.

En 1994, toute la population écolière à l'école Lavallée devient la responsabilité de la nouvelle DSFM. Cette dernière loue les espaces à Lavallée de la Division scolaire de Saint-Vital.

En 2002, la nouvelle école élémentaire, Christine-Lespérance, située au 425, rue John Forsyth, construite dans la partie sud de Saint-Vital, reçoit toute la population écolière francophone de l'école Lavallée. Éventuellement, une réorganisation de la zone de repêchage des élèves sera faite permettant surtout aux élèves au nord du chemin Fermor à Saint-Vital de fréquenter l'école élémentaire du Précieux-Sang devenue plus proche de leur résidence en raison de l'ouverture de l'école Christine-Lespérance plus loin dans le sud de Saint-Vital. De plus, l'école Précieux-Sang a les espaces pour accommoder cette nouvelle clientèle, évitant des coûts élevés d'immobilisation.

En 2007, un nouveau secondaire, 9^e à 12^e, le Centre scolaire Léo-Rémillard, situé au 1095, chemin St. Anne's, ouvre ses portes pour desservir en grande partie la population écolière urbaine surtout à l'est du boulevard Abinojii Mikanah, mais à l'intérieur de la Ville de Winnipeg.

En septembre 2023, le ministère de l'Éducation du Manitoba rapporte une population écolière dans les deux écoles à Saint-Vital de 872 élèves, dont 489 à l'école Christine-Lespérance, maternelle à la 8^e et 383 au Centre scolaire Léo-Rémillard, de la 9^e à la 12^e.

Historique de l'école Saint-Eugène (1943 - 1974) Saint-Vital, Winnipeg, Manitoba

Le mardi 7 septembre 1943, les Sœurs Saint-Joseph de Saint-Hyacinthe débute l'enseignement catholique privé à Saint-Vital. L'enseignement se fait surtout en français dans la chapelle Oustic construite en 1942 au coin de la rue Oustic et le chemin St. Mary's. Une classe de 50 élèves (voir liste d'élèves à la page 11) des niveaux première à la 4^e, débute leur éducation dans cette chapelle. L'enseignante est Yvonne Dansereau (Sœur Marie Émilie). Elle sera aidée par Léa Hébert (Sœur Saint-Aimé) supérieure de la congrégation religieuse des Sœurs Saint-Joseph de Saint-Hyacinthe. Une autre classe de 30 élèves des niveaux 5^e à 7^e débute dans le couvent qui se trouve tout près de la chapelle. L'enseignante est Marie Vincent (Sœur Marie du Bon Pasteur). L'année suivante le nombre d'élèves passe de 75 à 92 et la 8^e année est ajoutée. Trois religieuses y enseignent de la 1^{ère} à la 8^e. Marie-Rose Lord (Sœur Madeleine du Bon Pasteur) sera parmi ce groupe en 1944 et remplace Sœur Marie Émilie au primaire. La Chapelle Oustic et le couvent des Sœurs Saint-Joseph serviront les besoins éducatifs et religieux de la communauté jusqu'en 1948.

L'année 1948 connaît un grand changement. Dans le livre de la Paroisse de Saint-Eugène publié en 1970, on note le suivant : *« C'est l'après guerre et les huttes d'aviation sont disponibles à des prix très raisonnables. Cinq huttes connues parfois sous le nom de casernes, sont rassemblées et transformées pour servir les besoins de l'église et de l'école. L'école est désormais connue sous le nom de Saint-Eugène. »* Dans ce livre de paroisse, on indique que trois des quatre classes sont occupées et en peu temps la petite salle de réunion devient une classe. Les autres espaces se limitent à une petite bibliothèque, une salle de débarras et deux salles de toilettes.

L'école étant une école privée - catholique, ne recevait à l'époque aucun octroi de la Province. Ce sont les bingos, les tirages, les soupers paroissiaux, les thés et les bazars qui ont été pendant de nombreuses années, la grande source de financement. Il faut dire que la rémunération du personnel des Sœurs de Saint-Joseph jusqu'en 1950, était très maigre. Selon les registres, les salaires varient de 350\$ à 500\$ par année. Les matériaux scolaires, sauf pour des craies et des brosse à tableau étaient quasi inexistantes. Ce sont les religieuses qui ont tenu le coup et la communauté francophone de Saint-Vital.

Pour l'embauche du personnel, la Commission scolaire rencontrait chaque année la Mère Supérieure pour décider du nombre de religieuses et leur salaire. Il n'y avait pas de contrat individuel avec la Commission scolaire comme nous le connaissons aujourd'hui.

Dans les années 1960, le nombre d'enseignantes laïques augmentent substantiellement. La Commission scolaire qui n'a toujours aucun revenu de la Province a beaucoup de difficulté de payer des salaires comparables à ceux dans le système public. Des discussions avec la Division scolaire de Saint-Vital N° 6, sont entamées pour que les écoles Saint-Eugène et Sainte-Marie deviennent partie de cette division. L'enseignement du français dans les années 1960 est permis jusqu'à 50% du temps et la Division accepte de maintenir cet enseignement et aussi d'embaucher le personnel en place. Les pourparlers amènent la Commission scolaire de Saint-Eugène et la Commission scolaire de Sainte-Marie à céder leur école à la Division scolaire de Saint-Vital, le 1^{er} janvier 1968. Des arrangements sont faits avec la Division scolaire de la Rivière Seine pour que les élèves de la 9^e à la 12^e puissent poursuivre leurs études secondaires à

l'Institut collégial Saint-Norbert, à Saint-Norbert. Pour le personnel de l'École Saint-Eugène, qui est en grande partie composé des Sœurs Saint-Joseph, cela veut dire qu'après avoir eu de maigres salaires pendant 25 ans, elles sont rémunérées d'une façon plus équitable.

En 1971-1972, l'école Saint-Eugène compte 5 religieuses de la congrégation des Sœurs Saint-Joseph parmi ses enseignantes avec une population étudiante de 215 élèves. C'est aussi en 1971-1972 que l'école Saint-Eugène a sa dernière religieuse directrice. Il s'agit de Sœur Lucille Gendron (Sœur St-René). Il y avait eu 10 religieuses-directrices de 1943 à 1972. Le premier et seul directeur laïc pendant le fonctionnement de l'école Saint-Eugène a été René Deleurme. Il a été directeur pendant deux ans de 1972 juste qu'au moment de la fermeture de l'école en juin 1974.

Le 27 juin 1974, l'école Saint-Eugène ferme ses portes et tous les élèves et le personnel des écoles Saint-Eugène et Sainte-Marie font leur entrée à la fin d'août 1974 dans la toute nouvelle école Lavallée située au 509 chemin St. Anne's.

le 18 juin 2009

Il est impossible de faire justice à la contribution des Sœurs Saint-Joseph de Saint-Hyacinthe à l'éducation française aux écoles Saint-Eugène et Lavallée à Saint-Vital de 1943 à 2001. La reconnaissance du 18 juin 2009 à l'École Christine-Lespérance, très modeste en soit, fut un geste que la communauté de Saint-Vital a voulu poser. Les Sœurs Saint-Joseph ont été les piliers de l'éducation française dans cette région. Dès le début, elles ont surmonté des défis que peu de laïques même avec les meilleures intentions n'auraient pu relever. Aujourd'hui, l'École Christine-Lespérance qui a suivi l'École Lavallée, a environ 400 élèves aux niveaux de la maternelle à la 6^e une moyenne d'environ 60 élèves par niveau. En ajoutant les élèves qui fréquentent présentement le Centre scolaire Léo-Rémillard et le Collège Louis-Riel nos chiffres approchent les 750 élèves. Et dire, qu'il n'y avait que 75 élèves en 1943. Les Sœurs Saint-Joseph ont joué un rôle primordial à l'éducation française à Saint-Vital. Nous en sommes très reconnaissants. Merci aux 43 religieuses de la congrégation des Sœurs de Saint-Joseph de Saint-Hyacinthe pour cette contribution indispensable et ces 58 ans dans notre communauté.

Célébrer le don de l'éducation à Saint-Vital

Près de 66 ans après l'ouverture de l'école des Sœurs de Saint-Joseph de Saint-Hyacinthe, Saint-Vital honore leur dévouement envers l'éducation.

Stéphane LAJOIE

Pendant 58 ans, les Sœurs de Saint-Joseph de Saint-Hyacinthe ont contribué au développement de l'éducation française à Saint-Vital. Le 18 juin, le comité ambassadeur du fonds scolaire de l'École Christine-Lespérance leur a rendu un vibrant hommage.

La soirée s'est déroulée à l'École Christine-Lespérance, qui a pris le relais de l'École Lavallée en 2002. Une plaque souvenir, où sont inscrits les noms des 43 sœurs institutrices, a été remise à la congrégation. Une plaque identique sera aussi accrochée au mur de l'école.

« C'est spécial de se retrouver dans cette nouvelle école, qui continue de perpétuer l'esprit de joie et la qualité de l'enseignement prodigué par les sœurs, dit la

représentante de la Congrégation des Sœurs de Saint-Joseph de Saint-Hyacinthe, Pauline Phaneuf. On voit les fruits de nos contributions et ça nous touche que le Manitoba ait tant apprécié notre dévouement. C'est une joie d'être ici. »

Pour l'événement, quatre sœurs ayant enseigné aux écoles Saint-Eugène et Lavallée ont fait le voyage depuis la maison-mère de Saint-Hyacinthe.

Thérèse Bourgouin, qui a enseigné cinq ans à l'École Saint-Eugène, Lucille Gendron, qui a été directrice, bibliothécaire et enseignante pendant 15 ans aux écoles Saint-Eugène et Lavallée, Alice Chèvrefils, qui a enseigné dix ans à l'École Saint-Eugène et Huguette Gagnon, qui a donné 31 ans de sa vie à l'éducation française au Manitoba, se sont jointes à la Franco-Manitobaine Thérèse

André, qui a connu les dures années du couvent, pour recevoir éloges et remerciements de la part de la communauté de Saint-Vital.

« Il n'est pas facile de résumer en quelques phrases l'importance de l'œuvre des Sœurs de Saint-Joseph au sein de notre communauté, dit l'ancien directeur de l'École Lavallée, Normand Boisvert. Grâce à leur ténacité et leur générosité, les jeunes de Saint-Vital ont pu recevoir une éducation de qualité en français. Elles ont joué un rôle crucial dans le rayonnement de la culture française dans le quartier, et pour cela, nous les remercions de tout cœur. »

Les Sœurs de Saint-Joseph ont débuté leur enseignement à Saint-Vital en septembre 1943, à la demande du Monseigneur George Cabana. Elles ont alors pris sous leur aile 75 élèves de la 1^{re} à la 7^e année. L'institution d'enseignement privé ne

recevait aucune aide gouvernementale et les temps étaient durs. Après la Seconde Guerre mondiale, des casernes d'aviation ont été transformées en nouveaux locaux pour l'école Saint-Eugène.

« Nous sommes arrivées au Manitoba avec le désir et le plaisir d'enseigner la langue française. L'enseignement, c'est notre vie chez les Sœurs de Saint-Joseph, dit sœur Huguette Gagnon. Nous avions à cœur la réussite des élèves et nous portions une attention toute particulière aux demandes des parents. J'ai eu des classes dans les casernes et oui, ce n'était pas riche ni luxueux, mais on

s'accommodait. Voir l'évolution de l'éducation au Manitoba, ça me donne vraiment un sentiment du travail accompli. »

Des classes au couvent et à la chapelle en 1943 aux débuts frileux de l'École Saint-Eugène, les Sœurs de Saint-Joseph n'ont jamais dérogé de leur but d'éduquer les jeunes et de les aider à affronter la vie. Si elles ont quitté la profession après la fermeture de l'École Lavallée, la marque indélébile qu'elles ont laissée sur l'éducation manitobaine se fait entendre chaque jour par le son des cloches des écoles de la Division scolaire franco-manitobaine.
